

**St. Andrews Heights Community Newsletter
Annual Report 2011/2012
Submitted June 12, 2012**

I took over the newsletter editor duties from Gwen Schaefer in November 2011. Many thanks to Gwen for serving in this role for five years(!), and for her support during the transition.

Carriers

Our carriers have been doing a great job. Thanks to Max Ahluwalia, Alexander Durbeniuk, and Nicholas MacDonald.

Printing

We continued to use Minuteman Press Beltline. Their prices have remained stable, and they are fast and reliable.

Advertising

We have maintained the same core advertisers. We gained one regular advertiser, then lost them after the May issue. The newsletter was able to break even, with a profit of \$18.30.
