Hi Jacques,

Here my report for the AGM tomorrow.

The facilities report will be presented by Michael Fuchs, VP Facilities

This report covers the maintenance and renovation activities at the community hall from July 2014 to June 2015.

Regular maintenance was conducted at the hall as needed.

This past year we have replaced the storage shed with a new and stronger version that will stand up to everyday use. We updated the aging and broken florescent lights with new energy saving and long last LED lights.

This coming year we will need to replace the keyed locks at the front door with a electronic keypad version, this will make the management of keys and access easier for the Hall Rental coordinator.

No renovations scheduled this year.

I would like to move to accept the facilities report

Michael Fuchs
