

Hall rental co-ordinator report

Hall rental activity was steady in 2014-2015. We have some very loyal and reliable regular renters, who all take very good care of our hall, such as

The Bow Valley Calligraphy Group;

The meditation group Hakomi;

The Children's Reptile Camp for two weeks every summer;

A group of quilters who rent 3 or 4 days a month;

The Iranian Student Association who have made us their home;

And no less than three different art classes who meet here on Tuesday evenings, Wednesday afternoons and Friday mornings.

That still leaves plenty of openings for community members for their birthday parties and other gatherings, and they enjoy a 20% discount off our regular rates.

One thing that would be a big help to us and to our renters would be the installation of a key-less entry system, which has been talked about for close to two years.

Thanks to our caretaker Elaine Fuchs and to our treasurer Ken Zdunich for their help and support.

Thanks also to Liz Murray who fills in for us when we're away.

We began this work early in 2011, so this is our 5th year and we would like to step down at the end of this calendar year, or earlier. Anybody interested, please come talk to us and we will explain what commitment is necessary.
