

# St Andrews Heights Playground Grand Opening

St Andrews Heights Community Association would like to thank everyone involved in making this playground a reality. After many years of hard work, and the contribution of both individuals and organizations, the playground will serve St Andrews Heights and the surrounding communities.

A special thanks to our Master and Pro level sponsors, who are listed on the back of this program.

Also, a special thanks to The Calgary Foundation and McDonald's Restaurants for helping make today's grand opening a success.

A bronze plaque, recognizing everyone's contribution, will be installed on the rock near the playground in the next couple of months. This will be a lasting memorial to everyone who makes the dreams of children come alive.
